

Mr Zaid Sadiq

Consultant Oral & Maxillofacial Surgeon

Mr Zaid Sadiq is a Consultant Oral and Maxillofacial Surgeon at the Queen Victoria Hospital. He is dual qualified in medicine and dentistry and an honorary lecturer at University College London. Mr Sadiq can accept medico legal instructions for the claimant or defendant.

His particular areas of expertise include:

- Cancer, including all surgery to the head and neck
 - Delayed diagnosis
 - Misdiagnosis
 - Treatment
 - Skin cancer
- Surgical reconstruction and oral surgery
- Facial fractures and facial pain
- Dental implants and jaw joints

- Average annual instructions: 20
 - PI 50% ; CN 50%
- Average monthly clinical hours: 190
- Bond Solon Expert
- Witness training completed

- Appointments for medical examinations within 10 days
- Full report within 3-4 weeks
- Clear, reliable and robust reports

Medicolegal Partners have an experienced team skilled in all aspects of the administration involved in instructions to our various expert medical witnesses. This leaves experts free to utilise their precious time to focus on giving you and your client their medical and medico legal expert advice and support. You, or an agency working with you, can pick up the phone and speak to us any time.

It is a pleasure to work with Medicolegal Partners. Their reports are thorough, and they turn around reports in good time. They respond promptly to queries, and understand the litigation process.

JB, Capsticks

MEDICOLEGAL INSTRUCTION DETAILS

Commenced medicolegal work: 2018

Average annual instructions: 20

PROFESSIONAL EXPERIENCE

Consultant in Oral and Maxillofacial/Head and Neck Surgery Queen Victoria Hospital NHS Foundation Trust	<i>Jan 2020 - present</i>
Consultant in Oral and Maxillofacial/Head and Neck Surgery University College London Hospital NHS Foundation Trust, Great Ormond Street Hospital NHS Foundation Trust, Barts Health NHS Trust, Honorary Senior Lecturer UCL	<i>Jun 2014 – Dec 2019</i>
Locum Consultant in Oral and Maxillofacial/Head and Neck Surgery Barnet and Chase Farm/The Royal Free Hospitals	<i>Jan 2014 – Jun 2014</i>
Head and Neck Surgical Oncology Fellow NHS Lothian Honorary Senior Lecturer, Edinburgh University	<i>Jun 2013 – Jan 2014</i>
Specialty Registrar Year 5, Oral and Maxillofacial Surgery North West London Hospitals NHS Trust	<i>Oct 2012 – Jun 2013</i>
Specialty Registrar Year 4, Oral and Maxillofacial Surgery University College London NHS Foundation Trust, Great Ormond Street Hospital for Sick Children NHS Foundation Trust	<i>Oct 2011 – Sept 2012</i>
Specialty Registrar Year 3, Oral and Maxillofacial Surgery Barts and The Royal London NHS Trust, London	<i>Oct 2010 – Sept 2011</i>
Specialty Registrar Year 2, Oral and Maxillofacial Surgery East Kent Hospitals University NHS Foundation Trust, Kent	<i>Oct 2009 – Sept 2010</i>
Specialty Registrar Year 1, Oral and Maxillofacial Surgery Queen Victoria Hospital NHS Foundation Trust, East Grinstead	<i>Aug 2008 – Sept 2009</i>
Core Surgical Trainee Year 1 St Georges Hospital NHS Trust, London	<i>Aug 2007 – Jul 2008</i>
Foundation Year 2 Royal Surrey Hospital, Guildford, Surrey 6 months in Accident & Emergency, 3 months general surgery, 3 months ENT	<i>Aug 2006 – Jul 2007</i>
Foundation Year 1, General Medicine and General Surgery Royal Surrey Hospital, Guildford, Surrey	<i>Aug 2005 – Jul 2006</i>

Locum Registrar in Oral and Maxillofacial Surgery St Georges Hospital, London	<i>Aug 2002 – Jul 2005</i>
SHO Oral and Maxillofacial Surgery Kingston Hospital NHS Trust, Surrey	<i>Feb 2002 – Jul 2002</i>
SHO Oral and Maxillofacial Surgery Peterborough NHS Hospital, Peterborough	<i>Aug 2001 – Jan 2002</i>
SHO Oral and Maxillofacial Surgery University Hospital Birmingham, Birmingham	<i>Aug 2000 – Jul 2001</i>
SHO Oral and Maxillofacial Surgery North Staffordshire Royal Infirmary, Stoke-on-Trent	<i>Aug 1999 – Jul 2000</i>
General Practice Vocational Training West Midlands Vocational Training Scheme	<i>Aug 1998 – Jul 1999</i>

PRIZES AND GRANTS

May 2018 – ASIT Poster Prize – a multi-disciplinary approach to facilitate the intraoral excision of a deep lobe parotid lesion using ultrasound wire localization

April 2018 – RSM Poster Prize – the evaluation of tumour depth of oral cancers using intra-oral ultrasound

May 2012 – RSM Prize – innovative approaches to the management of facial deformity “The Combined Mid-face Lift”

January 2002 – 1st Prize in Anglia region SHO scientific paper presentations. “Posterior Scleritis – an unusual presentation of facial pain”

RESEARCH & PUBLICATIONS

Research

The use of bioengineered scaffolds in reconstruction following oncological resections. Industry funded project in collaboration with UCL.

The use of image guided surgical planning

The role of high definition imaging in detection of metastasis in the neck in oral cavity cancer

Funding Scheme: Science Committee - Multidisciplinary Project Award

Application Title: Clinical translation of photoacoustic imaging for the assessment of head and neck cancers

Application Reference: C53954/A25285 Awarded CRUK

Full Title Evaluation of Keratin K15 as a biomarker for human papillomavirus 16 (HPV16) driven head and neck squamous cell carcinomas.

Queen Mary Innovation Ltd Proof of Concept Funding - secured
