

Mr Zaid Sadiq
BDS MFDSRCS MBBS MRCS FRCS (OMFS) LLM
Consultant in Oral and Maxillofacial Surgery

Mr Zaid Sadiq is a Consultant Oral and Maxillofacial (Head and Neck) Surgeon at the Queen Victoria Hospital. He can accept both adult and paediatric medicolegal instructions in a range of specialist areas for either claimant or defendant.

His particular areas of expertise include:

- Oral and facial cancer:
 - Delay to diagnosis, misdiagnosis and treatment
- Skin cancer
- Facial reconstruction
- Facial fractures
- Oral surgery (dental extractions)
- Dental implants

Please note that whilst Mr Sadiq is dual qualified in medicine and dentistry, he is not a practicing dentist and is therefore unable to accept instructions that relate to routine dental treatment.

Medicolegal Partners have an experienced team skilled in all aspects of the administration involved in instructions to our various expert medical witnesses. This leaves experts free to utilise their precious time to focus on giving you and your client their medical and medico legal expert advice and support. You, or an agency working with you, can pick up the phone and speak to us any time.

“ It is a pleasure to work with Medicolegal Partners. Their reports are thorough, and they turn around reports in good time. They respond promptly to queries, and understand the litigation process. ”
